

Dear Sirs,

I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve. I am paying my good money to have this kind of programming and therefore please respect my views on this matter. I do benefit from listening to XM Satellite Radio and its traffic and weather channels. I like the variety and quality that is not available elsewhere. As I mentioned before since I pay for these services it should not be up to the National Association of Broadcasters to dictate what I'm permitted to hear.

Respectfully,
Martha Gagliardi
